THREE QUIET WEDDINGS

Artist DeLancey Gill to Bring His
Bride to Washington.

Belgian Minister Is Established at
Newport—Hon. Carroll D. Wright
in Massachusetts.

The marriage of Miss Susan Rebecca Gor-
don to Mr. William H. McCarty was quietly
celebrated at 10 o'clock yesterday morn-
ing in the presence of the families of the
bride and groom. Rev. Mr. Williams officiated.

The bride wore a handsome traveling
gown of blue and gray cloth trimmed with
brocade and lace, and had to match. She
was given in marriage by her brother, Mr.
James A. Gordon. Mr. William H. Clark,
of Brooklyn, attended the groom as best
man.

After the marriage the bride and groom
left the city on an early train for a wedding
trip, which will include a visit to New
York, Boston, Narragansett, and Newport.
Upon their return to Washington they will
be at home, after September 5, at No. 821
C street southeast.

Another marriage which took place early
yesterday was that of Miss Jessie L.
Howard to Mr. William Gettinger. The
ceremony was performed in Christ Church,
where Rev. Mr. Williams officiated. The
bride's gown was of Dresden pattern of
silk trimmed with velvet and lace.

Mr. and Mrs. Gettinger left for a north-
ern trip.

Mr. John V. Dolan, a prominent young
druggist of Fort Monroe, Va., and Miss
Anna Lovetta Dolan, of Oswego, N. Y.,
were quietly married by Rev. Father Ryan
at the church of the Immaculate Conception,
at 10 o'clock yesterday afternoon. Only a
few of the young people's most intimate
friends witnessed the ceremony. Mr. and
Mrs. Dolan departed on a short wedding
tour, after which they will return to
Fort Monroe, their future home.

Mrs. Burton Harrison is spending the
last of August traveling in Canada. Her
intimate friends assert that this is for
the purpose of gathering material for some
forthcoming writing. Whatever the reason,
Mrs. Burton Harrison has certainly
enjoyed herself with pleasure in the
most exemplary manner, so much so
that she has returned to the city with
nothing but a glowing report of her trip.

Mr. and Mrs. Vandrossier Cruger are
at present at Newport, the guests of Mr.
J. A. VanAllen at his villa, "Walden."

Miss Sarah Spriggs has gone to Arden-
ville for a short stay.

Mr. Harvey Page and family are spend-
ing the summer at their country place
near Sandy Spring, Md.

A marriage that will be of interest to
Washingtonians is that of Mr. DeLancey
Gill, the artist, of this city, to Miss
Mary Irene Wright, on Monday, the 15th
inst. The marriage took place in Trinity
Church, Ashville, N. C. Mr. Gill will be-
come a resident in the city after
September 1 at No. 2411 Road street.

Mrs. George W. Custer is spending some
time at Martha's Vineyard.

Gen. Schofield has gone to Babylon,
L. I., for a visit. He arrived there last
week. Upon their return to Washington
in the autumn Gen. and Mrs. Schofield
will select a home in which to spend
the winter, as they gave up the lease of
the house on Connecticut avenue in which
they have lived ever since their marriage.

Commander Richard P. Leary, United
States Navy, is spending the present month
at Leon Lake, one of the Rangleys Oakes,
in Maine.

To a woman, Miss Mary Prince, of New
York, daughter of the widow of Dr. Alfred
L. Levens, belongs the honor of having
called the first deer this season in the
Little Tupper Lake region of the Adiron-
dacks.

Ex-Senator Edmunds and family are
spending the summer at Newport, where
he has leased the Arnold cottage on Rhode
Island avenue and in which he will remain
until late in the autumn.

Mrs. Ole Bull and her daughter are spend-
ing the summer at the Poland Spring Hotel,
Maine.

lished for the remaining portion of the
season in the Robinson cottage at Newport.

Mr. Podila, of the Spanish legation, is
at the Robinson cottage, Newport, for the re-
maining of the season.

Miss Minnie Bartholomae has returned
home after a few weeks' visit to her cousin,
Miss Lizzie Goebel.

youngest daughter child of the late Sec-
retary of the Treasury, Daniel Manning. The

MANY DELEGATES PRESENT

Irish Catholic Benevolent Union
Begins Its Convention.

Important Measures to Be Considered
Today—Changes in the Constitu-
tion Contemplated.

The twenty-seventh annual convention
of the Irish Catholic Benevolent Union of
the United States and Canada convened
yesterday at 10 a. m. in St. Mary's Church,
Fifth near H street northwest. There were
present more than 100 delegates, repre-
senting 112 societies from eight different
States and Canada.

The formal opening of the convention was
preceded by the celebration of solemn
high mass by Rev. George Gahan, pastor of
the church.

The business session was conducted by
President Edwin G. Flanagan, who in a
short address referred to the important
measures which would be brought up for
consideration at this meeting. Of these he
mentioned several amendments to the con-
stitution and bylaws, which it would be
wise not to act on too hastily.

The session was occupied in hearing the
reports of the committee on credentials and
standing committees.

The meeting adjourned at 2 p. m., to
meet again this morning at the same
place at 10 o'clock. The meeting this
morning will be the most important and
interesting of the session, as all the pro-
posed amendments to the constitution will
be discussed separately, some of the most
prominent members of the union taking
part. One of the most important and in-
teresting matters which will come up for
discussion will be the elimination of the
word "Irish" from the name of the or-
ganization.

The issue as it now stands is not, as one
of the officers said yesterday, according to
the wishes of the majority of the union
among its members, he said, not of all
nationalities, and never has been an ex-
clusive Irish organization.

60 cents in change. The thief had but a
few minutes to accomplish his purpose, as
Mrs. Hall returned soon and discovered her
loss. The thief was reported to the police
and a search was last evening made in Pil-
ley's woods for the negro, who was believed
to be in the country. It is now thought
that another negro is prowling in the woods

PROTESTS OF NO AVAIL

Trustees to Use the Miner Build-
ing for Colored Children.

SPECIAL SESSION OF BOARD

President Whelpley Explains That
Improvements Being Made in the
Stevens School Render the Trans-
fer Necessary—There Are 966 Pup-
ils to Be Provided For.

A special meeting of the board of school
trustees was held yesterday in the Franklin
School Building, corner of Thirtieth
and K streets northwest, to consider the
protests of residents in the vicinity of the
Miner Building, on Seventeenth street
northwest, against the occupancy of that
building by the colored pupils from the
Stevens school, corner of Twenty-first
and K streets northwest.

The meeting was called to order at 3
p. m., President Whelpley in the chair.
The other members of the board present
were Messrs. Harries, Darlington, Hazen,
Wilson, Shadd, Bruce, and Cornish.

The necessity for the use of the Miner
or some other suitable and convenient
building for the accommodation of the
pupils from the Stevens school was
explained by President Whelpley to result
from the extensive rebuilding and im-
provements being made on the latter build-
ing.

These improvements will take some con-
siderable time for completion, and during
their progress it was necessary that school
accommodation should be provided for the
pupils.

The Miner building was tendered the school
board for this purpose by the trustees of the
Miner fund, and it was never imagined that
any objection would be raised, particularly
as it was well known that the occupancy
would be only temporary. The enlarge-
ment and improvements being made at the
Stevens school are extremely necessary
for the comfort and health of the 966
pupils who are enrolled.

It was clearly the duty of the board, he
said, to see to it that a suitable place for
the accommodation of the pupils of that
school was provided and the Miner build-
ing was the best and only place to be found
even if the board was able to pay a rental.

ALREADY HAVE PREPARED.

The board has gone to the expense of mak-
ing such alterations as was necessary and
removing all the furniture from the Stevens
school for reoccupation as a temporary
school for the colored children, and the
opening of the public schools on Sep-
tember 26.

Thinking all the circumstances into consid-
eration it was unanimously decided as the
sense of the meeting that the Miner building
shall be used for the accommodation of the
pupils from the Stevens school, and that
the board should endeavor to obtain a more
convenient and suitable building can
be obtained without expense to the
board of trustees.

Ex-Senator Bruce, one of the board, is
very much distressed by the numerous
papers and reports that he will be a can-
didate for reappointment as a member of
the board of trustees. The appointment,
he said, is purely complimentary, and
there is no applying or fishing for it.
He is at a loss to know how the report origi-
nated, as he says he has never intimated
any such intention to any one.

ELOPED FROM RICHMOND.

Charles W. Arnall and Miss Maggie
Davis Married at the National.

"Married at 7:30 this evening; will
be home in the morning; both well and
happy," was the telegram sent from here
last night by an eloping couple from Rich-
mond, who were united in marriage in the
parlor of the National Hotel.

The parties to this elopement on the wing
were Mr. Charles W. Arnall and Miss Maggie
Davis, both of Richmond, and prominent
in their local circles.

The bride is a daughter of Cuy Consoli-
dation, B. Davis, and the groom is con-
nected with the firm of Jenkins & Walhall.
The lady appeared to be about eighteen
years of age and is quite pretty. The groom
is an illustration of the plaid that handsome

The marriage ceremony was performed
by the Rev. Dr. Rich, of Trinity Episcopal
Church. Mr. T. F. Ellis, the editor of the
Daily Hotel Register, gave the bride away,
and Mr. Eppa Hunter Maddox, the clerk at
the hotel, was the witness.

The happy couple left the city at 8:30
last night for Richmond, where they will
make their home with the parents of the
bride and explain matters to the society peo-
ple, who are no doubt in a flutter over
the interesting romance.

Reading, Pa., Aug. 21.—The body of ex-

ter, were held in the chapel this afternoon in
the presence of the family, consisting of

ALEXANDRIA HAPPENINGS.

Mr. James E. Clements, superintendent
of public schools for Alexandria county,
has granted teachers' certificates to Mr.
Henry S. Perry and the Messrs. Mary Mul-
keny, Ruth H. Bolway, Daisy Spicer,
Esther A. Ford, and Bettie W. Nevitt,
white, and to Allan R. Pinkney, George
L. Seaton, Edward A. Hoffman, Henry
White, Lucian H. Thompson, Hattie I.
Jackson, and Susie P. Rabb, colored.

The county schools will open next month.
The schools of Alexandria city will again
be open to the public on September 26,
as the appropriation has not been increased
so extra schools can be opened.

Alexandria is having just now a great
deal of trouble with the garbage problem.
It is claimed that the city's garbage carts
do not pay some sections of the city a
visit more than once a month, and there
are loud complaints from householders that
their garbage cans are filled to overflowing
and that they cannot get it removed. The
wagons are owned by the corporation, and
are under the control of the city council
committee on poor, whose attention has
been called to the matter. This trouble,
which the city has had to suffer, is due to
the fact that the city is having, will surely
lead to the erection in this city of a garbage
incinerating plant.

Patrick Carney, the tramp, who has been
held here since Saturday last on a charge
of having robbed William H. Zinn on a
Southern Railway train of \$14, was dis-
charged yesterday evening, it being ascer-
tained that he is not the man wanted.

It is understood that the trial trip over
the new line of the Washington, Arlington
and Mount Vernon Railway from Res-
lyn to Arlington will be made on Friday
next, and after that time the cars will
be run on a regular schedule.

It is understood that early next week a
meeting will be held in Wash. and Fairfax
counties for the purpose of incorporating
a movement looking to the bringing of that
village into the city of Alexandria.

Little Berrie Phillips, who jumped from
a train at Cape May on Friday last and es-
caped unhurt, is home.
